KEN KNUDSON

...Entrepreneur, visionary and a true leader, created Sybaris in 1974 as a special place where couples could escape from the stress of everyday life. A place of romance where time stands still and magic moments are made. A club, that conceptually means Sybaris is unlike an ordinary hotel.

Named after an ancient Greek city, Sybaris was noted for its opulent and luxurious lifestyle. Sybaris Pool Suites feature amenities that are unique and not found in a typical hotel, including private heated swimming pools, soothing whirlpool tubs, relaxing steam rooms and cozy fireplaces. These features create an exclusive haven for couples to focus on quality one-on-one time.

Over the years, Ken's original idea has grown into five successful resorts located in Illinois - Downers Grove, Northbrook, and Frankfort plus Mequon, WI, and Indianapolis, IN. Sybaris has become a premier destination for thousands of members each year.

Today, Ken's dedicated Sybaris team carries on his dream and continues his legacy.
